**VACATION DAYS**

**Thursday, March 2nd**  
**TREKKING FOR TRACKS**

Join us as we look for animals and their "autographs" in different habitats around the Discovery Center...on snowshoes! Over the last couple of years we have identified fisher tracks in the woods and otter tracks on the salt marsh. Take part in winter activities and games and make a craft to take home.  
10:00-2:00 \$20 GBS Members \$25 Non-Members

**Friday, March 3rd**  
**WINTERKIDS**

Do your kids prefer to play inside when it is cold out? Natural landscapes in the outdoors provide rich, diverse, multisensory experiences for free play. As part of a national initiative, let our naturalists provide the opportunity for well supervised, but unstructured play around the Discovery Center. Bundle them up and send them outside with us!  
10:00-2:00 \$20 GBS Members \$25 Non-Members

**SAU16 TEACHER WORKSHOP DAY**

**Friday, March 17th**  
**A TASTE OF WINTER**

How did Native Americans survive the winter? What did they eat? How did they dress? What did they live in and what did they do during the long winter months? We will spend the morning at our Abenaki campsite making food and crafts like the "People of the Dawn" did along the shores of Great Bay 400 years ago.
